# Traveling Trunks

An interactive experience  
that comes to you!

## OUR GOAL

As part of the Destination Ag. and Georgia Farm Bureau partnership, traveling trunks were developed to teach children throughout the entire state of Georgia about agriculture and natural resources.

## YOUR CLASSROOM

- Traveling trunks are specifically designed to allow a hands-on experience to be brought into any classroom!
- Georgia Farm Bureau houses the trunks at designated location within each of their ten regions.
- Volunteers or local county office members can bring the trunks and present the provided lessons to school groups.
- Relax as your students are engaged in a grade-specific & standards-linked interactive lesson.
