

ICE CREAM IN A BAG

INGREDIENTS

1 cup sweet cream coffee creamer
2 cups ice
1/2 cup salt
 Sandwich sized Ziploc bag
 Gallon sized Ziploc bag

DIRECTIONS

1. Pour 1 cup of coffee creamer into the sandwich sized ziploc bag.
2. Seal the bag firmly after all excess air is out.
3. In the gallon sized ziploc bag, fill it about 1/2 way with ice.
4. Pour 1/2 cup of salt on top.
5. Place the sandwiched bag inside the gallon sized bag, and fill with extra ice on top. Seal the large bag after all excess air is out.
6. Shake the bags for 5 minutes. *Gloves may be needed since the salt makes the ice extra cold.
7. Take the small bag out of the large bag and rinse the outside of the small bag with cold water to get the salt off.
8. Once done rinsing, carefully open the small bag to not get any remaining salt from the outside of the bag inside the bag.
9. The ice cream will be a little icy looking to start. Use a spoon to mix it around and soften it up a bit. Scoop out and enjoy!
