List your involvement with Georgia Farm Bureau:

County/State/National	Activity/Position Held	Year

Please explain your involvement in agriculture:

Describe your efforts to positively promote and impact the agriculture industry.

**YOUNG FARMERS
& RANCHERS**

2024 YF&R to DC Application

Agriculture faces important issues at the local, state, national and international levels. Explain one national ag issue that the industry needs to address in the next five years and discuss how you personally have addressed, or can address, that issue and work towards a resolution.
