Football Starts on The Farm!

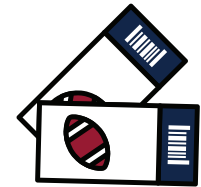

Football:

Grown by Cattle Ranchers
Did you know that 20 footballs can be made from one cowhide?

Tickets:

Grown by Tree Farmers
Did you know that a 45 foot tall tree that has an 8-inch diameter trunk can produce around 10,000 sheets of paper?

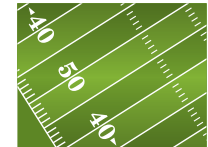

Football Shirts:

Grown by Cotton Farmers
Did you know that a bale of cotton that weighs around 480 pounds can make 1,217 men's t-shirts?

Football Field:

Grown by Sod Farmers
Did you know that sod is often grown at farms for up to two years before being used in Super Bowl stadiums?

Eye Black:

Raised by Bee Keepers
Did you know that eye black is made with beeswax? A hive of bees can produce 1-2 pounds of beeswax for every 100 pounds of honey harvested.
