## **Wally the Wrangler, Wally Visits a Ranch – by Will Jordan**

Cows. Horses, and ranching, oh my! Join Wally on his exciting adventure that is full of surprises! Filled with real-life ranching, Wally the Wrangler: Wally Visits a Ranch explores the ins and outs of how a ranch works. What happens to calves? Why do cowboys ride horses? What is sustainability? Where does beef come from?

Come along with Wally, Mr. Squat, and Mr. Jiggs as they answer all of those questions and many more on their exciting ranching adventure.

### **Fun Facts:**

- Beef is Georgia's second largest commodity, with a value of \$1.2 billion for 2024. This makes up 6.9% of Georgia's total farm gate value.
- There are over 15,000 cattle producers in the state of Georgia.
- Over 1 million head of cattle are raised in all 159 counties of Georgia.
