

# FARM BUREAU

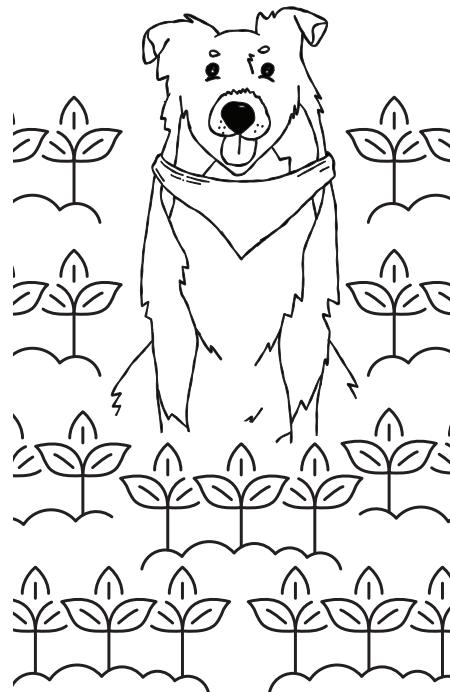

GEORGIA

Did you know that you can plant or harvest something from a garden almost all year long? If you have a lot of space around your house, you can create raised bed gardens. If space is limited, you can use a large pot or bucket to create a container garden. Visit [gfb.ag/vegetablegarden](http://gfb.ag/vegetablegarden) to learn what you can do in your garden each month of the year.
