***Visit GFB Certified Farm Markets around the state and earn prizes!***

Certified Farm Markets are farms across the state that invite you to visit them. They are verified by Georgia Farm Bureau to be an actively producing farm with the commodities they grow listed on website below.

Additional passport details, visit **GFB.ag/CFM**.

The Farm Passport helps you discover more of Georgia than you ever have before, support our Georgia farmers and buy food directly from the source. The farms you visit will all be different in what they grow or offer, but the same in that they welcome you to experience what they do.

### Here is your adventure list:

- ☐ *Eat fruit you picked straight from the vine or tree*
- ☐ *Shake the hand of a farmer*
- ☐ *Enjoy farm churned ice cream*
- ☐ *Travel an unpaved road*
- ☐ *Walk between rows of vegetables*
- ☐ *Pet a farm animal*
- ☐ *Use your Farm Bureau membership for discounts as you travel*
- ☐ *Plant a seed*
- ☐ *Go on a wagon ride*
- ☐ *Purposely learn 3 new things*

Are you ready for a good time? **#FarmPassport**

# WELCOME

## HOW IT WORKS

As you visit participating farms, ask the farmer to stamp your passport. The more stamps you receive, the more prizes you will earn! Keep in mind, farmers are at the mercy of the weather. **Be sure to call or check the farm website/social media before visiting to make sure the farm is open.**

## RULES

1. NEW: Fill in your info on next page AND submit your passport info on...  
***www.gfb.ag/PassportSubmission*** to receive prizes.
2. Passports must be stamped between  
***March 2023 – December 2023.***
3. You MUST be present to get stamp; only one stamp per farm.
4. We strongly encourage a farm purchase at each farm as the farms must pay to be in this program.
5. Deadline to submit Passport is ***January 5, 2024.*** Don't worry, we'll return it to you with your prizes.

## TIPS

- Look at the big map on the very 1st page before starting any road trip to see which farms are in the direction you are going.
- Optional routes with fun stops crafted to maximize your farm visits and discovery of the state can be found at ***gfb.ag/PassportRoutes.***
- Review the "Icon Legends" from time to time to recognize when a farm is cash only, has special events/activities you should look up the date for or offers educational classes you can ask about.
- When reading the following maps, note the bold, white lines are interstate highways and the red lines are either U.S. highways (shields) or state highways (circles.) Thin white lines are county outlines.
- See the chart in back for expected months open of each farm.

## THANK A FARM

For farms you especially enjoyed visiting, let them know by thanking them with a special farm themed thank you card. To order a box set, visit ***gfb.ag/ThankYou.***

## WHY BECOME A MEMBER OF GEORGIA FARM BUREAU?

“ I became a **member** of Georgia Farm Bureau when I married my husband, David. I used to think Farm Bureau was just an **insurance** company or its members had to be **farmers**. But I realized that Georgia Farm Bureau does so much to help our **communities**. They do a lot in our **school** systems, they advocate for agriculture, and they provide discounts to their members.

As a public **health** professional, I'm also an advocate of **safe**, healthy, and **sustainable** food supply for our communities. I know that when I buy **American** food, there are **thousands** of other farmers, just like my husband, who are ensuring that the food **supply** is not only sustainable, but safe.

Farming goes beyond just what happens on the **farm**. It's all the way from the **field** to your **plate**. I'm proud to be a Georgian, and I'm thankful for all that **Georgia** Farm Bureau has done to help our **local** agricultural industry. ”
