We are sharing a reason to discover Georgia, support local farmers and experience fresh food. The Certified Farm Market program is all about discovering where your food comes from and supporting those who make it possible.

Grab your passport and let it guide you across the state to see the diversity of agriculture Georgia offers.

HOW IT WORKS

As you visit participating farms, ask the farmer to stamp your passport. The more stamps you receive, the more prizes you will earn! Keep in mind farmers are at the mercy of the weather. **Be sure to call or check the farm website/social media before visiting** to make sure the farm is open.

With a new year comes new opportunities to learn, grow, and spend time with those you love. This farm passport provides you the opportunity to do just that. Let this be your guide to some of Georgia's most beautiful views, access to fresh, local goods, and a ticket to interacting with those who grow your food.

Please note that farms are like people. There are no two exactly alike. As you travel around the state, you will see farms offering their own, unique combination of u-picks, agritourism, farm tours and educational classes. The one thing these farms do have in common is that they invite you to see agriculture first-hand and buy directly from the farmer.

Grab a friend and enjoy exploring Georgia agriculture. As you travel, share your farm experiences with us using #farmpassport.

Happy travels!
