FARM PASSPORT

2021

Discover Georgia, support local farmers and experience fresh food.

Collecting farm stamps in this passport gives you and loved ones a great destination for a road trip and will create memories to treasure. While traveling, you will have the opportunity to familiarize yourself with our great state's agriculture and meet the hands who grow food for our tables.

Each farm is different with some welcoming you to pick fruit straight off the tree, some inviting you to pet their animals, and some have set out rocking chairs welcoming you to enjoy an ice cream with a view. Whether you want to continue a tradition such as buying fresh fruit in bulk to make jam the way your grandma did or want to try something new, these Georgia farmers have you covered. Enjoy the diversity of our farms and finish your experience getting your passport stamped!

We at Georgia Farm Bureau are so excited for you to experience our favorite industry. As you travel, share your farm experiences with us using **#farmpassport**.

Happy travels!

Kelly Henry
GFB Certified Farm Market Coordinator

WELCOME

We are sharing a reason to discover Georgia, support local farmers and experience fresh food. The Certified Farm Market program is all about discovering where your food comes from and supporting those who make it possible.

Grab your passport and let it guide you across the state to see the diversity of agriculture Georgia offers.

HOW IT WORKS

As you visit participating farms, ask the farmer to stamp your passport. The more stamps you receive, the more prizes you will earn! Keep in mind, farmers are at the mercy of the weather. **Be sure to call or check the farm website/social media before visiting to make sure the farm is open.**

RULES

1. Passports must be stamped between January 1, 2021 – December 31, 2021.
2. One passport allowed per person. One stamp allowed per person per farm. Must be present to get your passport stamped.
3. Be kind & make a purchase. Remember the farm is their livelihood.
4. Be sure to fill out your info on the next page to receive prizes.
5. Deadline to submit Passport is **January 7, 2022**.

TIPS

- Optional routes with fun stops crafted to maximize your farm visits and discovery of the state can be found at gfb.ag/PassportRoutes.
